- ▢ **Our footprint**
- ▢ **Trends**
- ▢ **The way ahead**

Operations Support Command

Mission: Serve as the Warfighters' entry point to a single, full spectrum logistics provider, AMC. Synchronize and integrate contingency support and sustainment through manufacturing facilities and forward-deployed AMC elements. Serve as the DoD Single Manager for Conventional Ammunition

What We Do:

- War reserves, operational projects, sustainment stocks
- Global contingency operations support
- Conventional ammunition for all services
- Arsenal manufacturing

What We Manage:

- AMC Forward Commands and Log Asst Officers (LAO)
- Army Prepositioned Brigade Sets (APS) - Mech Corps+
- Logistics Civilian Augmentation Program (LOGCAP)
- Ammunition production, stockpile, demilitarization
- Gun tube and recoil mechanism manufacturing

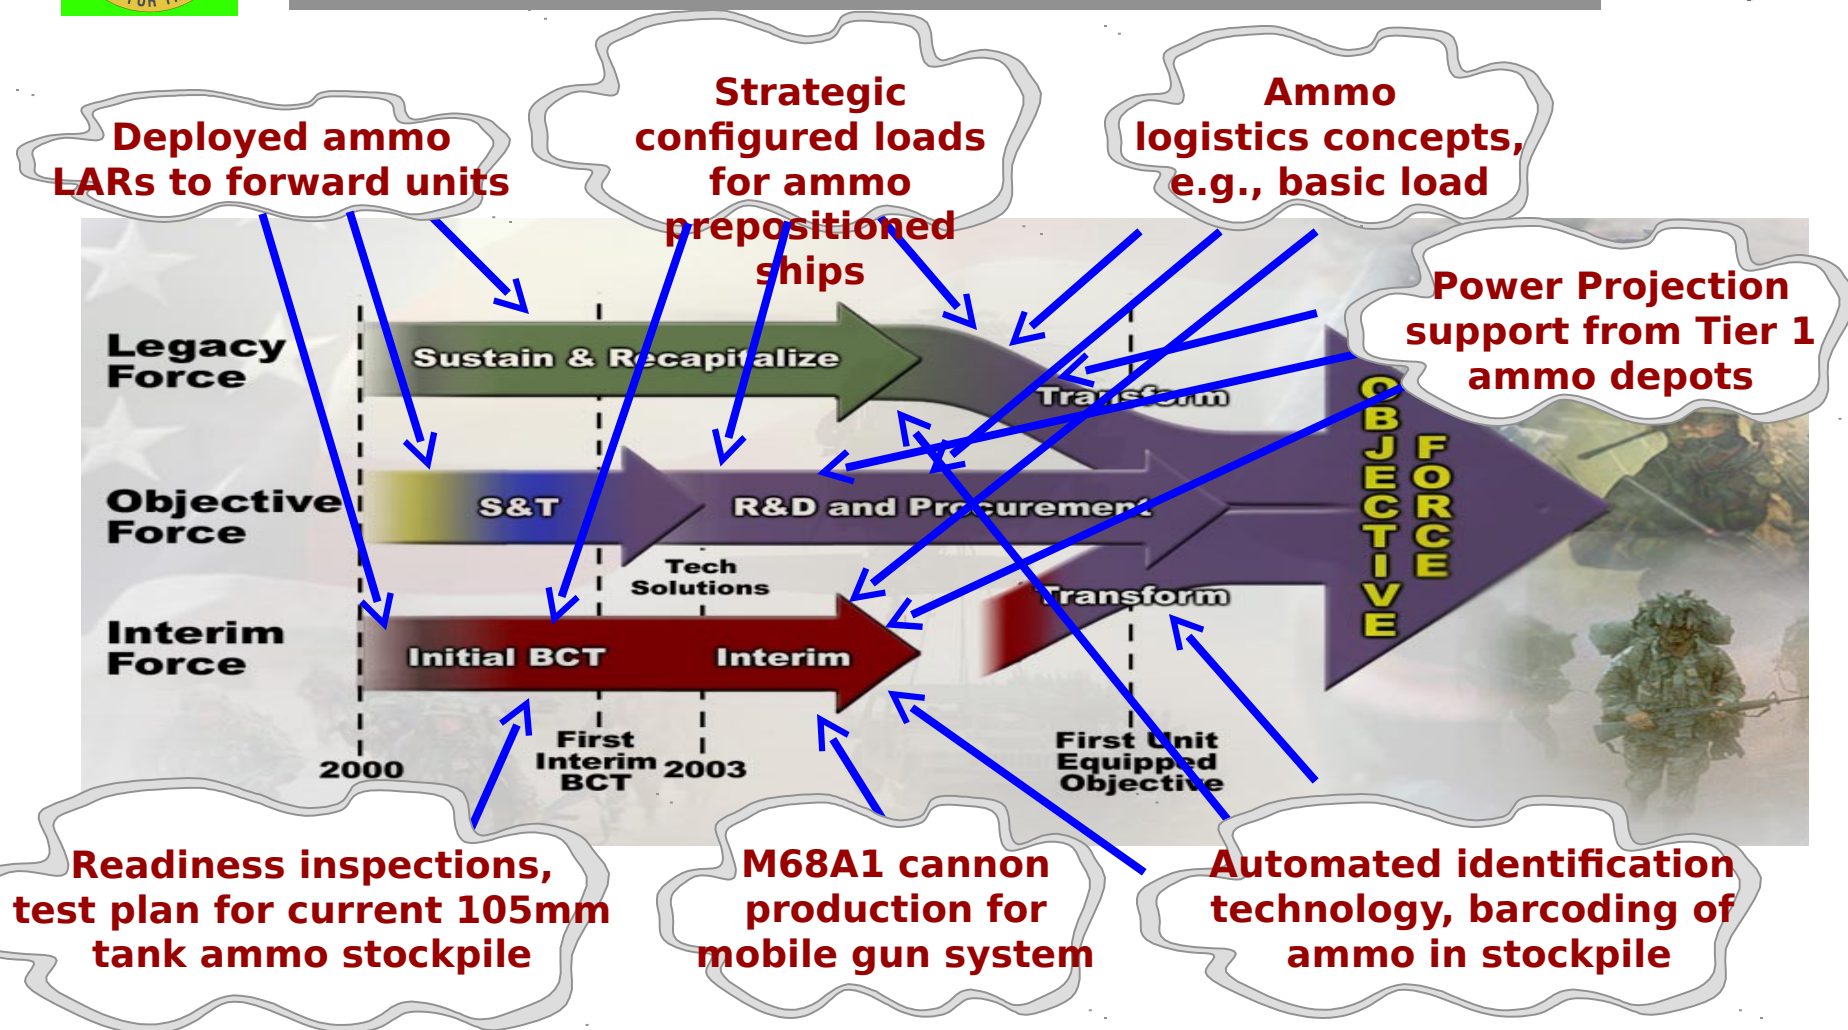

The Magnitude:

- \$2.7B annual operating budget
- 2000+ contracts valued at \$28B, 550+ prime contractors
- 3M short tons of ammunition worth \$30B
- 43 installations/108 total sites/35 states/15 countries
- 200 military/7500 civilians/8200 contractors

OSC Support for the Army Transformation

*... Responsive, Deployable, Agile, Versatile,
Lethal, Survivable, Sustainable*

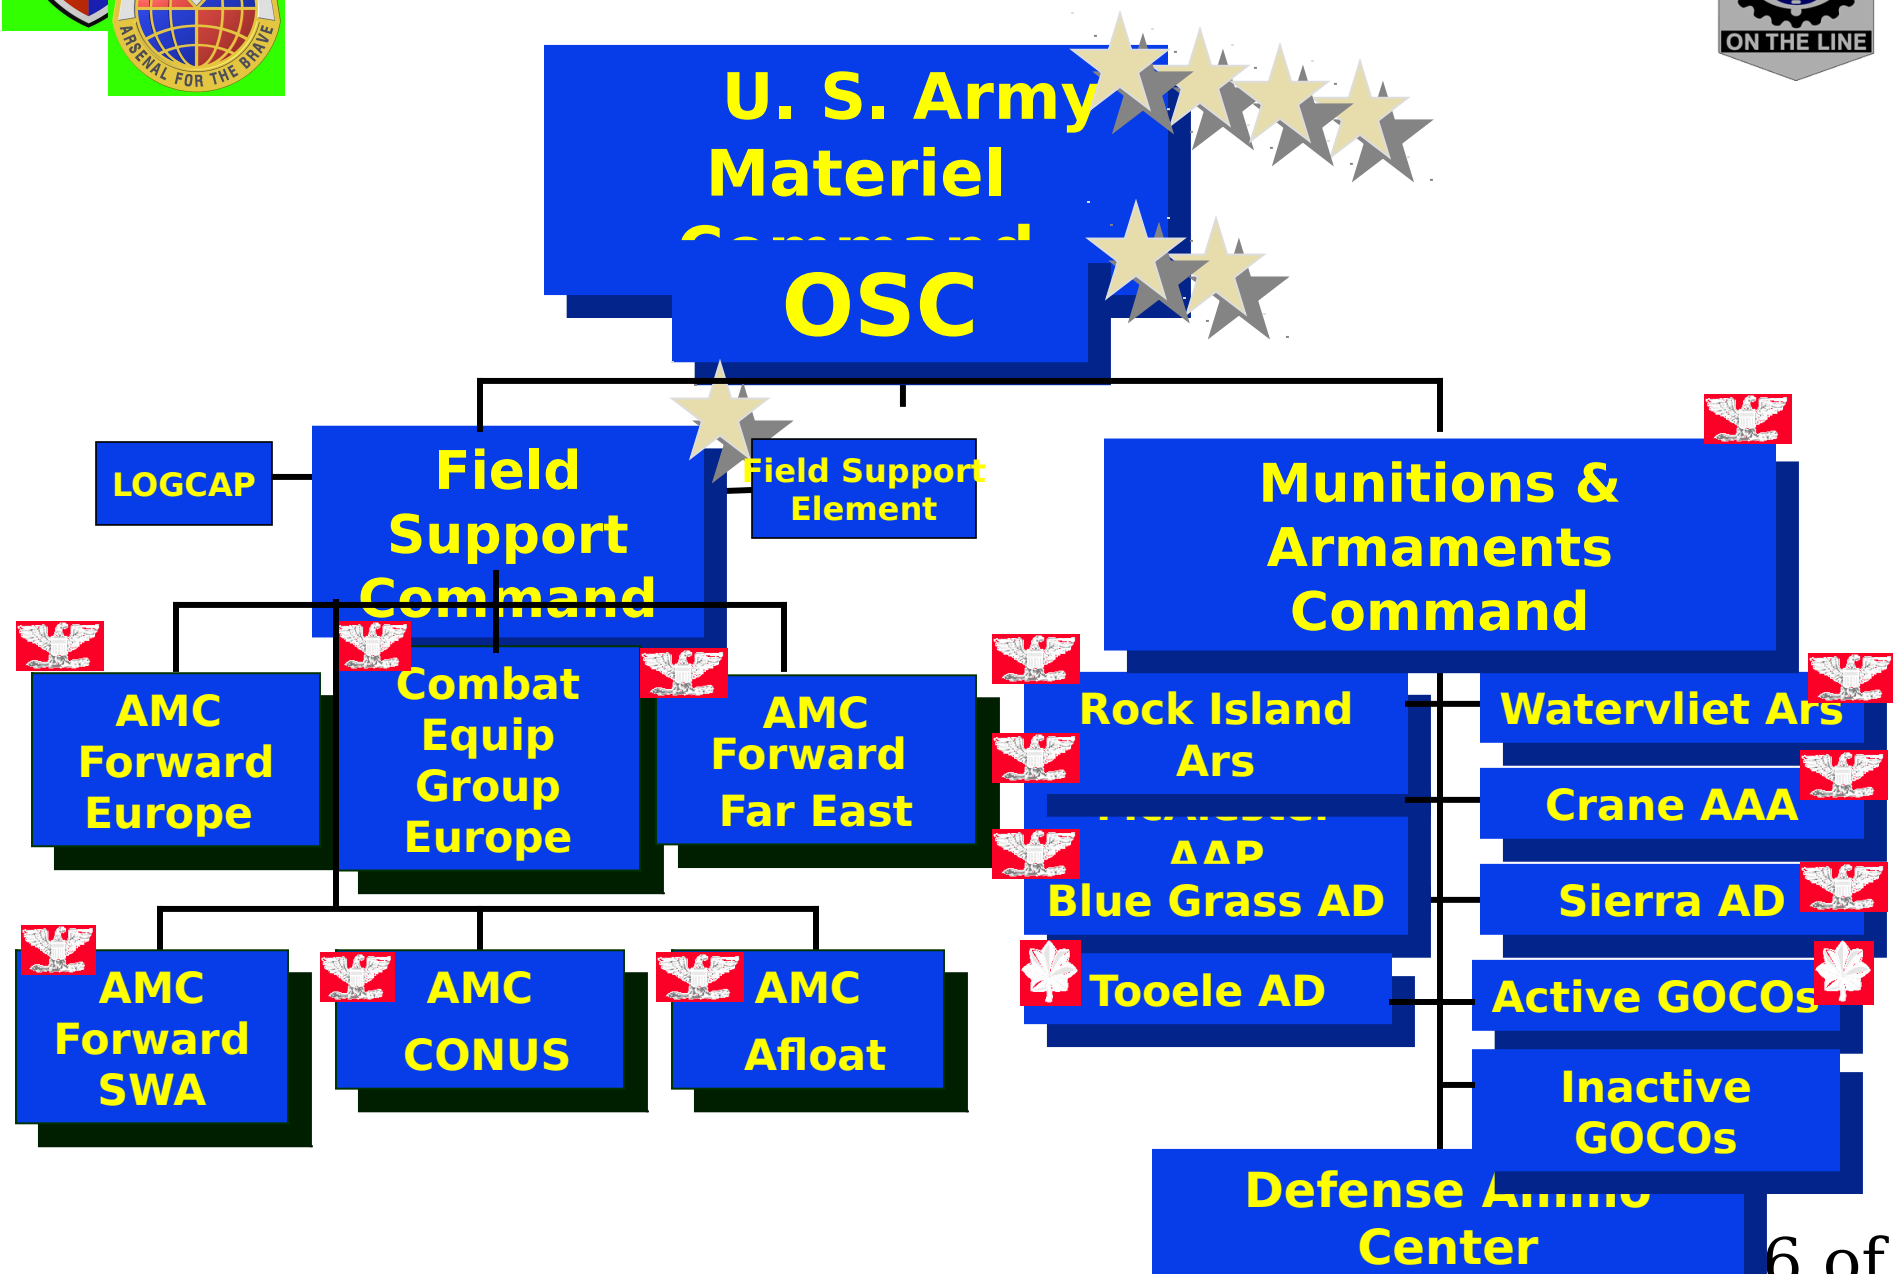

Major Initiatives

- **Army Prepositioned Sets (APS) download/upload**
- **Analysis of APS Sustainment**
- **Lighter Aboard Ships (LASH) conversion**
- **Support to Europe Forces**
 - **Task Forces Eagle/Falcon**
 - **Bradley transfer to National Guard Bureau**
- **Support to Far East Forces**
 - **Receipt, Staging, Onward-movement, and Integration (RSO&I)**
 - **Logistics cost sharing**
- **Support to Southwest Asia Forces**
 - **Transition of Qatar contract**
 - **Repair parts shipments**
- **120mm tank training ammunition**
- **105mm howitzer ammunition**
- **Environmental remediation support to the USS Cole**

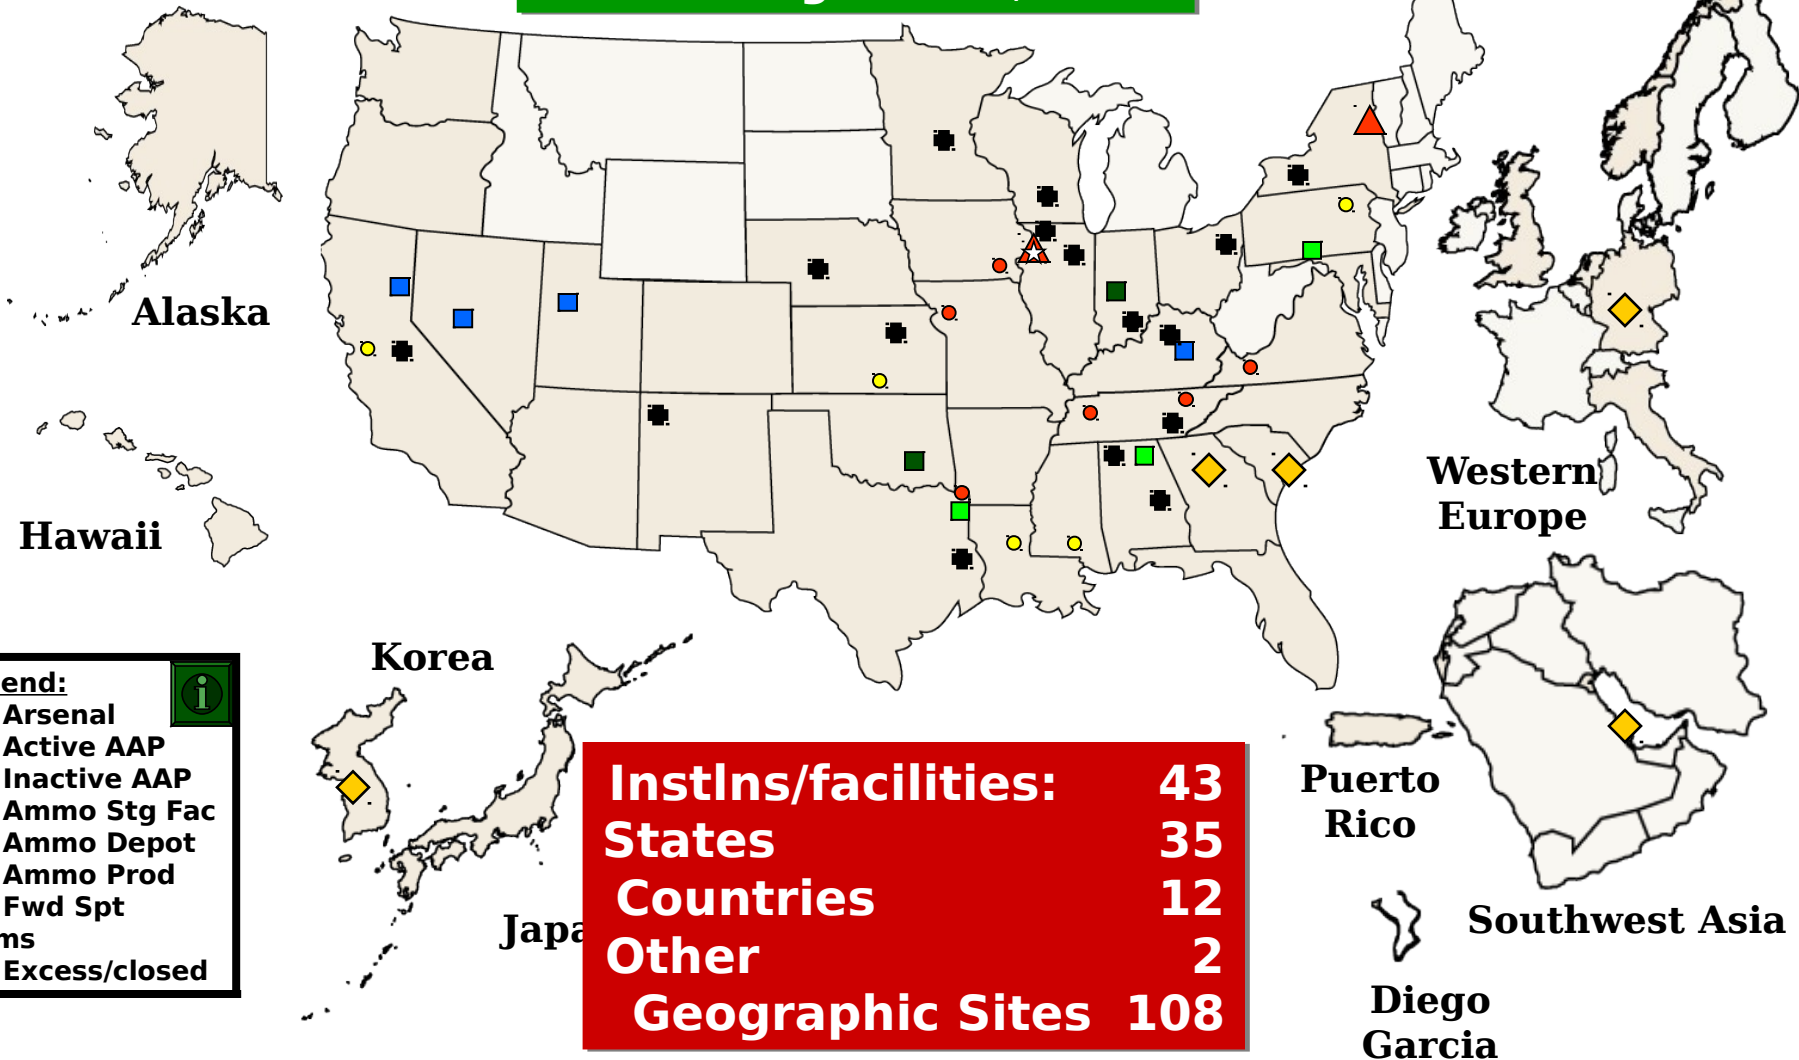

OSC Organization Structure

The OSC Footprint

Annual Program of \$2.7B+

Employees:
Military 239
Civilian 7986
Contractor 8200

OSC - The Way Ahead

- **Set conditions for movement to an Army Readiness Command:**
 - ✚ **Foster a global perspective**
 - ✚ **Maintain real time situational awareness through weekly intelligence and operations briefings**
 - ✚ **Identify/develop/implement key processes for command operations mastery**
 - ✚ **Develop and train the OSC troops toward a warfighter focus**
 - ✚ **Assure OSC resources are properly aligned and focused**
- **Clarify/solidify/institutionalize a mission of logistics information dominance**
- **Inculcate an OSC command culture laden with:**
 - ✚ **Enthusiasm**
 - ✚ **Positive attitudes**
 - ✚ **Values**
 - ✚ **A desire for the greater good**
 - ✚ **An operational and strategic focus**

Our people, our troops . . . are the combat multiplier!
